### Key product features

- Effortlessly safe handling: ergonomically shaped handles for better weight distribution and more comfort.
- Longer working: 10:1 shredding means fewer trips to the compost heap.
- Easy-to-handle collection bag: easy to fit, easy to empty, made of special moisture-repellent textile material.

### Other product advantages

- Powerful performance. Motor power of 2500 watts, blower flow rate of 800 m<sup>3</sup>/h
- Lightweight. 3.2 kg (blowing function) and 4.4 kg (vacuuming function) for effortless collection of garden foliage
- Practical 45-litre collection bag. Second handle and zip for easy emptying
- Adjustable handle and padded shoulder strap. For fatigue-free working without pain in your shoulders or arms
- Adjustable blower speed of up to 300 km/h for easy sweeping and removal of sticky wet leaves
- Shredding function. Shreds leaves for better composting at a shredding ratio of 10:1

### Comes complete with

- Padded shoulder strap
- 45 l collection bag

**Part number:** 06008A1071

**EAN code:** 3165140732581
