

Robotic lawnmower

## **Indego 350**

### **Connect**

The easy and convenient way  
to a nice looking lawn

[Go to product](#)

### Key product features

- Easy and comfortable to operate. From home, the bus, on holiday or wherever you are via our smart device app
- Easy with Auto Calendar function. After mapping Indego will recommend a schedule suited to your lawn size
- Effortless. Autonomous operation. User does not need to spend any time cutting the lawn – the Indego operates all by itself once activated. It goes back to charge on its own
- Easy to control. Start, pause and cancel mowing or set up and edit cutting schedules remotely via the app
- Efficient. With Logicut the Indego will know the shape and size of the lawn, and it will calculate the most efficient route to mow. It remembers where it has already cut.
- Parallel line cutting strategy varies the direction of the lanes with each new cutting session to avoid lawn stress
- Memorise cutting session. So you can use the lawn already mowed whilst Indego will finish cutting the rest
- Multi-sensors detect obstacles and manoeuvre around them before continuing cutting on the calculated route
- Human-machine interface with Auto Calendar Function for intuitive programming and easy operation
- Minimal power consumption, less noise and air pollution than conventional mowers

### Other product advantages

#### Comes complete with

- Docking station
- Docking station screws with hex key (F 016 800 468)
- Fixing pegs – 140 pieces
- Perimeter wire – 100 m (F 016 800 373)
- Power supply unit
- 2 x wire connector

**Part number:** 06008B0170

**EAN code:** 3165140828277

Robotic lawnmower

## **Indego 350 Connect**

### **Technical data**

---

**Battery type: Lithium-ion**

**Battery voltage: 18 V**

**Battery charge time: 45 min**

**Battery run time: 30 min**

**Recommended lawn area: up to 350 m<sup>2</sup>**

**Width of cut: 19 cm**

**Cutting system: 3 pivoting blades**

**Weight: 7,5 kg**

**Height of cut: 30 – 50 mm**

**Height-of-cut settings: 3**

**Speed: 40 cm/sec**

**Max. slope: 27 %**

### **Functions**

---

“Logicut” navigation system

Connected technology

Intuitive operating display

Auto Calendar function

Mulching function

Slope mowing capacity

Multi sensors

PIN and alarm system

Quick blade stop

Automatic charging system

Lithium-ion technology
